

Department # 22 Major contests

Hippology Contest, Dairy Management Contest and Livestock Management Contest

Hippology Contest:

Contestants will be asked to identify tack, equipment, feed samples which may be ingredients commonly used in commercial feed or grains or hays. Contestants may be asked to identify or tie some of the more common knots or hitches. A knowledge of anatomy of the horse, breeds, breed history, colors, color patterns and equine activities will be tested. One class of hay may be judged. Contestants shall sign up at the Contest Area.

Dairy Management Contest:

Contest will include identification of crops, forages, and dairy equipment plus a quiz concerning dairy management. A knowledge of anatomy of the dairy cow, breeds, breed history, may be tested. Contestants should sign up at the Contest Area. Awards to be based on total points scored in the Contest.

Livestock Management Contest:

Contest will include identification of crops, forages, and livestock equipment plus a quiz concerning livestock management. A knowledge of anatomy of the livestock, breeds, breed history, may be tested. Contestants should sign up at the Contest Area.

Awards for the above contests will be based on total points scored in the Contest. Premiums will be presented to the Junior, Senior, and Adult Division(age as of January 1, current year) as follows:
